c. Survival equipment requirements for various climatic/geographical locations were discussed and lists of survival-kit contents were obtained for further study by AMS/OSA personnel. Detachment G Life Support personnel and AMS/OSA personnel are working collectively on the best combination of equipment, packed in various locations in the personal equipment, for various survival situations. The results of this investigation will be presented to the Detachment G survival equipment board for comments/concurrence.

25X1A d. The OSA Survival, Evasion, Resistance and Escape (SERE) training program was discussed with [redacted] and life support personnel. The initial qualification and annual refresher requirements were discussed as was the methods for implementation. All were in agreement that the program update was desirable.

e. A meeting was held on LOX Abort Criteria on Aircraft 053 for the SCOPE SAINT ferry flights.

25X1A Attendees were [redacted] 25X1A  
[redacted] and the undersigned.  
25X1A The results of this meeting, including recommended abort criteria, was sent to Headquarters by message [redacted] dated 12 April 1969
